

# Essential stops on the road to healthcare compliance

Do you have the resources to visit these six critical stops on your compliance journey?

**Stop 1:**  
Exclusion and  
debarment screening

**Stop 2:**  
Adequate staff  
training

**Stop 3:**  
Risk-based  
auditing and  
monitoring

**Stop 4:**  
Coding, billing, and clinical  
documentation audits

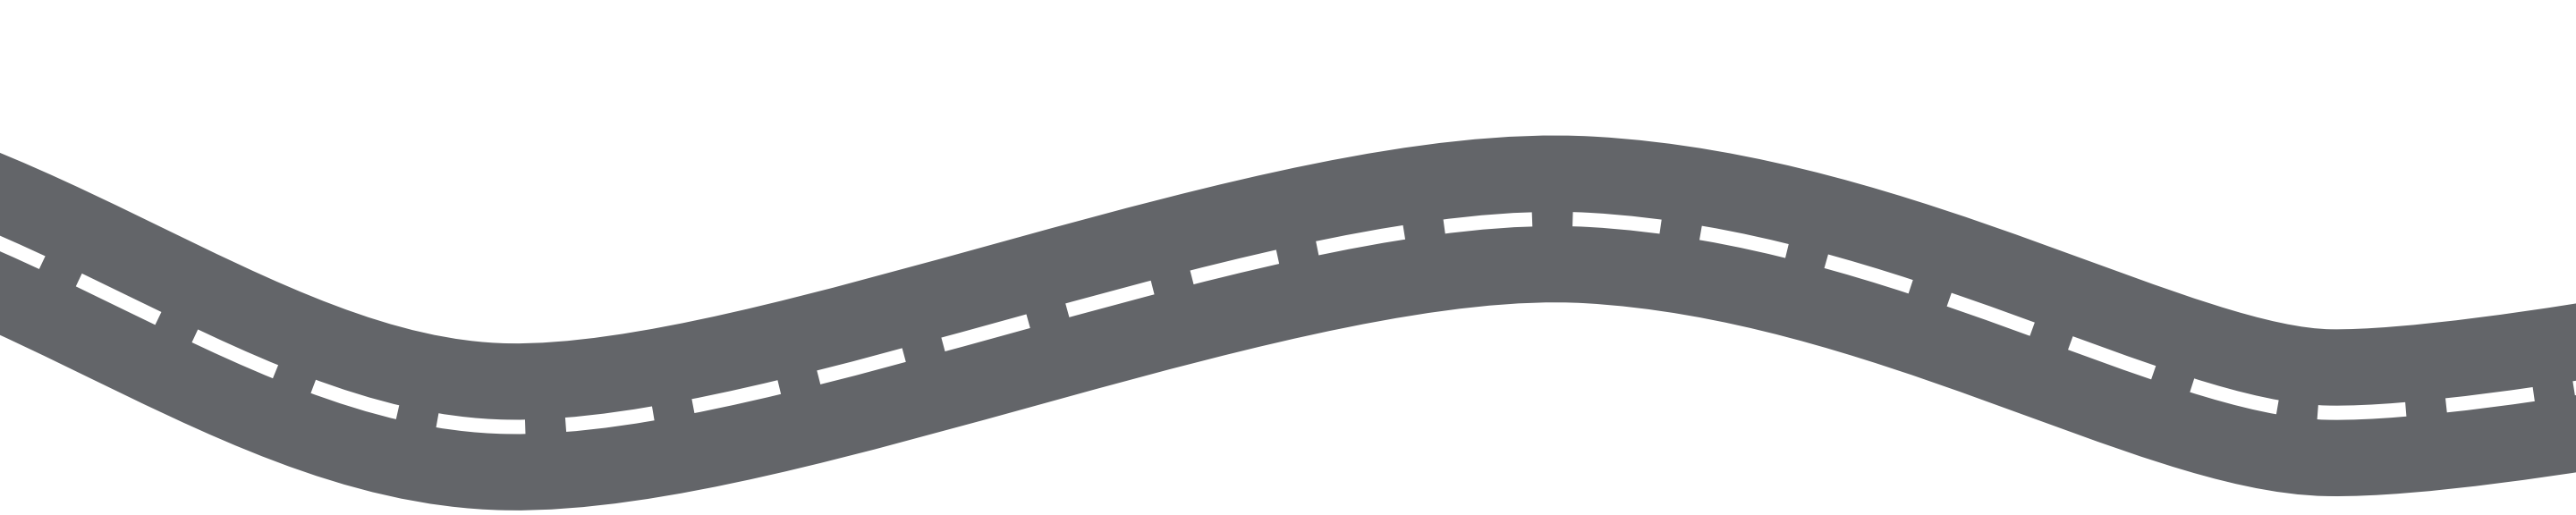

**Stop 6:**  
Compliance  
program  
effectiveness  
review

**Stop 5:**  
Annual security  
risk assessments

**Outsourcing some  
compliance functions  
can help you get safely  
to your destination.**
